Baker (Everett Moore Baker Memorial Foundation)

The Everett Moore Baker Memorial Foundation, established in 1959, is administered by a committee of five students who are charged with implementing the ideals and objectives of Everett Moore Baker that included the provision of a dynamic extracurricular program and a congenial physical and intellectual environment at MIT. They identify needs at MIT and undertake projects that will contribute to fulfilling these objectives. It is the role of the Baker committee advisors to meet with the student committee, to act as a resource, and to provide advice and support.
