### CRSP (Renovation and Space Planning, Committee for)

The Committee for Renovation and Space Planning (CRSP), an advisory group to the Provost and Building Committee, is the Institute's primary functioning body for making decisions and recommendations about all projects and assignments related to space, planning, and capital projects. The CRSP committee, whose membership represents the academic, research, and operations of the Institute, meets monthly and is responsible for strategic planning. All requests, regardless of urgency, cost, or funding source, must be submitted to CRSP.

CRSP has two subcommittees: the Renovations Subcommittee (R-CRSP) and the Planning Subcommittee (P-CRSP).
