

Current Committee Membership

Faculty Committee on Nominations

The Committee on Nominations consists of seven Faculty members appointed by the President; each member serves for a three-year term. At least two new members are appointed each year. The President designates the Chair from among the membership. The Committee nominates the following in the appropriate years: a Chair-elect, an Associate Chair, and a Secretary of the Faculty; and also annually nominates candidates for the elected membership of the Standing Committees. The Committee has power to fill any vacancies that may occur during the year in the offices of Chair, Chair-elect, Associate Chair, and Secretary, and in the elected membership of the Standing Committees.

Prof. Tomas Palacios, Chair (June 30, 2021)

Electrical Engineering-Computer Science
