Campus Planning, Committee on

The Committee on Campus Planning serves as the standing Faculty advisory body to the MIT administration on campus planning. It provides Faculty perspectives and counsel on campus planning issues, including, but not limited to, future academic and research needs of the community. The committee seeks to understand the needs of the Faculty for the campus environment and ensure communication with the Faculty on important matters related to the MIT campus and surroundings. The chair of the committee serves ex officio on the MIT Building Committee, and members may be called upon to serve on task forces and/or other ad hoc committees concerned with campus planning.
