Current Committee Membership

Library System, Committee on the

The Committee on the Library System formulates policy for the administration of the Libraries, with the advice of the Director of Libraries, consistent with the objectives of the Institute. It serves as a liaison between the Libraries and their users. The committee also monitors and upholds the MIT Faculty Open-Access Policy, which details the process for disseminating scholarly research.

The Committee on the Library System consists of six elected Faculty members, two graduate student members, two undergraduates, and the following *ex officio* members: the Provost (or representative), the Head of Information Services and Technology (or representative), and the Director of Libraries and two members of the Library Staff designated by the Director.
