Community Giving at MIT Campaign Committee

The Community Giving at MIT Campaign Committee provides vision and guidance to the Community Services Office for the Institute’s annual charitable giving effort. It provides this guidance by engaging members of the community in campaign activities, actively pursuing feedback on the campaign processes and strategies, and seeking out new opportunities for solicitation and awareness education as well as proposing how they might be carried out. The committee will help to develop programs aimed at achieving increased participation in the annual Community Giving Campaign and increased levels of gifts made by individuals to the campaign, particularly encouraging gifts at the Leadership level (+$1,000).
