Lincoln Laboratory-Campus Interaction Committee

The Lincoln Laboratory - Campus Interaction Committee encourages expansion in the scope and character of the interactions between the Campus and Lincoln Laboratory. Particular attention is devoted to the development of joint research projects and policy seminars, as recommended by the November 1989 Ad Hoc Committee on the MIT Lincoln Laboratory Report. The committee advises the President, Provost, and Lincoln Laboratory Director on issues that are important to the Lincoln Laboratory - Campus relationship.

Prof. Raul A. Radovitzky, Chair (June 30, 2021)
